ATTN: 165 Ontario – All Residents
RE: Elevator Modernization Notification

Dear: Resident(s)

CLV Group is pleased to announce that we will be upgrading the elevator systems in your community.

The construction on the elevators has been tentatively schedule for February, 2022, and will continue to keep everyone updated on the exact commencing date.

This work will take approximately 14–16 weeks to complete.

Please note that this work will require one of the elevators to be shut down at all times in order for modernization to take place.

We will work closely with our contractors to ensure that this project is carried out with as little inconvenience to our residents as possible.

If you have a unique situation that should be brought to our attention, please contact the Administration Office at 905-646-0861 or email us at stcatharines-admin@clvgroup.com.

Thank you for your patience and cooperation on this matter while we make these exciting improvements to your building!

Sincerely,

Your Community Team
