Laundry - Basement Level 1 Hallway Plumbing and Ceiling Renovations

Dear Valued Residents

Please be advised that we have scheduled mandatory plumbing work for basement level hallway (L1), and laundry, where we need to replace plumbing in ceiling and complete new ceiling throughout.

The work will start on September 19th and will be completed on October 1st .

Monday, September 19th: The ceiling between hallway and laundry will be completely removed and access to laundry room will be restricted between 8:30AM and 3PM. Please avoid accessing this hallway as much as possible throughout this time frame.

Thursday, September 22nd: Plumbing will be completed, and access to laundry room will be restricted between 8AM and 4:30PM.

Monday, September 26th to 29th: New ceiling will be installed, along with paint complete. Laundry room be closed between 8AM and 4:30PM.

Saturday, October 1st : Laundry room and hallway ceiling will be completed by end of the day. If we experience delays, we will communicate them as soon as possible.

This work will create noise, construction debris, vibration, and dust. Please be mindful of workers and possible debris. The hallway area might be inaccessible for short periods of time. We look forward to making improvements to our community.

Thank you,

Management
