RE: Unit Renovation Taking Place

Dear Tenant(s)

We hope this notice finds you well and you and your family are staying healthy.

CLV Group would like to take the time today to inform you that there may be some upcoming noise disturbance as we are working on renovating a unit.

The unit renovations will take place on Friday, September 15<sup>th</sup>. Working hours will be 8:30am-4:30pm.

As a result, there will be some noise disturbances. The work being done may result in some neighboring units being disturbed and we apologize for any inconvenience this may cause.

This is essential work, and we hope this does not cause too much of a disturbance for you and your family. We plan on extending notices to all units that may be affected so you can plan accordingly if the noise levels get to be too loud.

We thank you for your patience & understanding,

If you have any further questions or concerns at this time, please do not hesitate to contact the administrative team at any of the below information.
